*I'm currently a developer with over two year's experience using the Angular framework.
I also have experience using React for multiple personal projects using various third party API's .
In addition, I'm learning C# through a professional .NET API and Python with a personal API.*

SOFTWARE DEVELOPMENT EXPERIENCE

Professional Experience

- Developed a well structured application interface using the Angular framework.
- Contributed to a .NET API that utilises controllers, services and DAO's.
- Maintained a SASS library to ensure compliance with Sketch designs.
- Managed UI data flow using a NgRx store for state management.
- Organised data using class-based inheritance with interfaces and models.
- Troubleshooted application issues with IDE debugging and Chrome DevTools.
- Authored unit tests using Jest and Jasmine for code functionality verification.
- Implemented E2E testing with Cypress for multi-component functionality.
- Enhanced performance and resolved circular dependencies using NX libraries.
- Streamlined code management with code reviews, Git and Azure DevOps.

Personal Projects

- ❖ **Cycling Dashboard**
An application that displays exercise data made using NextJS , Tailwind CSS and Strava API.
- ❖ **Portfolio Page**
A portfolio website made using NextJS, Tailwind CSS and Contentful CMS.
- ❖ **Handcrafted By BarbaraRuth**
A marketing website made using GatsbyJS, GraphQL, Tailwind CSS and Contentful CMS.
- ❖ **WW2 European Map**
An application that shows battles in Europe during WW2 made using HTML, SASS, JS and Webpack.

Technologies Used

- ❖ **Front-End**
HTML5 | CSS3 | SASS | TailwindCSS | JavaScript | TypeScript | Angular | React | Next.js | Gatsby.js | RxJs | NgRx | Nx | ESLint | Git | Webpack
- ❖ **Back-End**
.NET 8 | C# | MS SQL | Python | FastAPI | PostgreSQL
- ❖ **Testing**
Jest | Jasmine | Cypress | VS Code Debugger | Chrome DevTools
- ❖ **Development Tools**
Visual Studio Code | Github Copilot | ChatGPT | Docker | Azure DevOps

EDUCATION

Mill Hill School and Sixth Form

GCSE and A-Level Studies

Ripley, United Kingdom

Sept 2011 – Sept 2014

- A-Levels - BTEC Public Services (Distinction*), BTEC Applied Sciences (Distinction), Extended Project (C)
- 11 GCSEs A-C including English (B), Mathematics (C) & Science (A)

Online Web Development Courses

Self-Taught

- | | |
|---|-------------------------|
| • Responsive Web Design | freeCodeCamp – Dec 2021 |
| • JavaScript Algorithms and Data Structures | freeCodeCamp – Jan 2022 |
| • Modern JavaScript From The Beginning | Udemy - Feb 2022 |
| • The Complete JavaScript Course 2022 | Udemy - Mar 2022 |
| • React The Complete Guide | Udemy - May 2022 |

Additional Qualifications

Professional Development

Various, United Kingdom

- | | |
|--|------------|
| | Various |
| • NVQ Level 3 – Personal Training | Feb 2017 |
| • NVQ Level 2 – Fitness Instructing | Dec 2015 |
| • NVQ Level 2 – Customer Sales | Feb 2018 |
| • Mental Health First Aider | March 2019 |
| • First Aid at Work w/ AED | April 2019 |
| • National Pool Plant Management Qualification | Aug 2016 |

WORK EXPERIENCE

Apteco

Junior Software Developer

Warwick, United Kingdom

September 2022 – Present

- Create and maintain a front end user interface using Angular and its component based architecture.
- Advance my backend development by maintaining controllers, services, and DAOs used in a C#-based .NET 8 API project.
- Interact with and write to a Microsoft SQL Server database that provides the data for the .NET API.
- Write unit tests using Jest and Jasmine to test components, models and services in the projects.
- Write End-to-end tests using Cypress to test functionality across multiple projects in the Apteco ecosystem.
- Utilise various technologies in our workflow such as Git, DevOps pipelines and Docker containers.
- Collaborate with a wider team of developers, designers, testers, support staff, marketers and business executives to deliver internationally adopted software.

Derby Arena

Personal Trainer / Health and Well-being Advisor

Derby, United Kingdom

May 2018 – Present

- Creating individual exercise programmes for a range of clients varying in age, ability, and experience with a keen eye for detail.
- Conducting a wide variety of exercise classes to large groups of people ranging from spin to bootcamps.
- Create and maintain positive, professional, and trusting relationships with clients.
- Accurately record and analyse client biometrics results in accordance with data protection.
- Maintain an online presence through our social media channels such as website, in-house app, Facebook page etc.
- Ensure compliance with the retention strategy to keep clients for continued business.
- Working as a collective team with the cycling, hospitality, events and reception staff for day-to-day tasks and large-scale events.

Alfreton Leisure Centre

Lifeguard

Customer Sales Assistant

Alfreton, United Kingdom

August 2017 – May 2018

April 2017 – August 2017

- Working to a monthly sales target with daily KPIs such as calls, interactions and lead requirements.
- Having a robust lead generation system that involved outbound calls, community interaction and face to face tours.
- Closing sales on a variety of services and up-selling/cross-selling to hit income targets.
- Post-sale support given to clients with check-up calls and emphasis on referral generation.
- Creating effective marketing campaigns to generate interest and revenue for our facility.
- On-going professional training to ensure we are following the latest guidance from the governing bodies.

William Gregg VC Leisure Centre

Relief Duty Manager

Lifeguard

Heanor, United Kingdom

Feb 2016 – April 2017

Sept 2014 – April 2017

- Managing the operations of a multipurpose leisure centre with swimming pool, modern gym, sports hall and preschool creche.
- Being responsible for the handling of the cash in the building involving banking and documentation of our transactions.
- Delegating the daily tasks amongst the staff to ensure our service standards are always met and problems are dealt with in a timely manner.
- Motivating the team under heavy workload and taking ownership for the operations of the building.
- Ensuring health and safety is always adhered to especially given the potentially dangerous nature of a gym and swimming pool.

- Policing the streets of Derbyshire with integrity and impartiality, delivering a high-quality service to the people of the county.
- Conducting investigations towards crimes and providing support to victims of those offences.
- Write statements, use police systems, and present evidence in court to support the justice system in the prosecution of offenders.
- Assisting at the scene of incidents to ensure safety and effective investigations.
- Staying up to date with the law and changes to policing guidelines, ongoing training was a signature part of the role.
- Being flexible with working hours if required to ensure that the constabulary was sufficiently staffed during peak times.

SKILLS & INTERESTS

Skills

- **Customer Service Excellence**
Demonstrated extensive experience across all customer service facets, from lead generation and sales to service delivery, ensuring a seamless customer journey.
- **Community Engagement**
Proven ability to forge strong connections across diverse communities, leveraging my fitness and social networks to build rapport and inspire others.
- **Motivational Leadership**
Highly motivated with a passion for inspiring and uplifting those around me, fostering a positive and dynamic work environment.
- **Rapport Building Expertise**
Exceptional skills in establishing and nurturing relationships, honed through years of customer service experience.
- **Process Management**
Proficient in understanding and managing complex processes, with a keen ability to see how different components work together for efficient operations.
- **Team Collaboration**
Effective team player with the versatility to both lead and follow, ensuring team objectives are met with excellence.

Interests

- **Athletics**
Avid participant in running, cycling, and swimming, with extensive experience and participation in competitive environments.
- **Archery**
Competent in both field and target archery, demonstrating precision and focus.
- **Winter Sports**: Enthusiastic skier and snowboarder, engaging in both sports for recreation and challenge.
- **Mental Health Advocacy**
Active advocate for mental health awareness, both in social circles and professional settings, aiming to foster understanding and support.

- **Outdoor Activities**

Passionate about the outdoors for both relaxation and physical exercise, including a longstanding membership in a competitive swim club achieving Midlands and regional level recognition.
