*I am currently a personal trainer who is learning the skills required to become a web developer. I'm primarily focused on front end development by using NextJS (React framework) alongside other technologies such as TypeScript, Headless CMS, and APIs to create websites and apps.*

## WEB DEVELOPMENT EXPERIENCE

---

### My Projects

#### **Strava Dashboard**

*An application that displays exercise data made using NextJS, Tailwind CSS and Strava API.*

#### **Handcrafted By BarbaraRuth**

*A marketing website made using GatsbyJS, GraphQL, Tailwind CSS and Contentful CMS.*

#### **Can I Calorie**

*An application that calculates your BMR, tracks calories and works out your daily energy balance using Angular, Material and NgRx (state management).*

#### **Portfolio Page**

*A portfolio website made using NextJS, Tailwind CSS and Contentful CMS.*

#### **WW2 European Map**

*An application that shows key battles of Europe in WW2 made using HTML, SASS, JS and Webpack.*

### Online Courses

#### *Self-Taught*

- |                                             |                          |
|---------------------------------------------|--------------------------|
| ● JavaScript Algorithms and Data Structures | freeCodeCamp – June 2022 |

## WORK EXPERIENCE

<b>Derby Arena</b>	<b>Derby, United Kingdom</b>
<i>Personal Trainer / Health and Well-being Advisor</i>	May 2018 – Present
<ul style="list-style-type: none"> <li>● Creating individual exercise programmes for a range of clients varying in age, ability, and experience with a keen eye for detail.</li> <li>● Conducting a wide variety of exercise classes to large groups of people ranging from spin to bootcamps.</li> <li>● Create and maintain positive, professional, and trusting relationships with clients.</li> <li>● Accurately record and analyse client biometrics results in accordance with data protection.</li> <li>● Maintain an online presence through our social media channels such as website, in-house app, Facebook page etc.</li> <li>● Ensure compliance with the retention strategy to keep clients for continued business.</li> <li>● Working as a collective team with the cycling, hospitality, events and reception staff for day-to-day tasks and large-scale events.</li> </ul>	
<b>Alfreton Leisure Centre</b>	<b>Alfreton, United Kingdom</b>
<i>Lifeguard</i>	August 2017 – May 2018
<i>Customer Sales Assistant</i>	April 2017 – August 2017
<ul style="list-style-type: none"> <li>● Working to a monthly sales target with daily KPIs such as calls, interactions and lead requirements.</li> <li>● Having a robust lead generation system that involved outbound calls, community interaction and face to face tours.</li> <li>● Closing sales on a variety of services and up-selling/cross-selling to hit income targets.</li> <li>● Post-sale support given to clients with check-up calls and emphasis on referral generation.</li> <li>● Creating effective marketing campaigns to generate interest and revenue for our facility.</li> <li>● On-going professional training to ensure we are following the latest guidance from the governing bodies.</li> </ul>	
<b>William Gregg VC Leisure Centre</b>	<b>Heanor, United Kingdom</b>
<i>Relief Duty Manager</i>	Feb 2016 – April 2017
<i>Lifeguard</i>	Sept 2014 – April 2017
<ul style="list-style-type: none"> <li>● Managing the operations of a multipurpose leisure centre with swimming pool, modern gym, sports hall and preschool creche.</li> <li>● Being responsible for the handling of the cash in the building involving banking and documentation of our transactions.</li> <li>● Delegating the daily tasks amongst the staff to ensure our service standards are always met and problems are dealt with in a timely manner.</li> </ul>	

- Motivating the team under heavy workload and taking ownership for the operations of the building.
- Ensuring health and safety is always adhered to especially given the potentially dangerous nature of a gym and swimming pool.

**Derbyshire Constabulary**  
*Special Constable*

**Derbyshire, United Kingdom**  
 Jan 2014 – September 2020

- Policing the streets of Derbyshire with integrity and impartiality, delivering a high-quality service to the people of the county.
- Conducting investigations towards crimes and providing support to victims of those offences.
- Write statements, use police systems, and present evidence in court to support the justice system in the prosecution of offenders.
- Assisting at the scene of incidents to ensure safety and effective investigations.
- Staying up to date with the law and changes to policing guidelines, ongoing training was a signature part of the role.
- Being flexible with working hours if required to ensure that the constabulary was sufficiently staffed during peak times.

## **SKILLS & INTERESTS**

---

**Skills:** Extensive history in customer service roles. Worked with clients from initial lead generation to point of sale to service delivery. Built connections with many different communities, through my fitness/social circles. I have a very motivated attitude and actively seek to inspire others around me. Excellent rapport building skills from years of service. Very process driven, great understanding on how different moving parts fit together. Cohesive team member, able to both follow and deliver orders.

**Interests:** Very experienced runner, cyclist, and swimmer. Competent at Archery, both field and target. Avid skier and capable snowboarder. Mental health advocate, both socially and professionally. Outdoor enthusiast, both for relaxation and exercise. I was a member of a competitive swim club for many years, attending Midlands and regional level competitions. Very up to date with world affairs and current geopolitics.
